Syracuse Builders Exchange Mentoring Services

The Syracuse Builders Exchange (SBE) is excited to announce the launch of our new Construction Industry Mentorship Program. This program is extended to our members and other entrepreneurs new to the industry.

The goal of SBE's mentorship program is to assist newly established entrepreneurs in attaining industry knowledge, which will assist in the growth of their business. Mentors will provide answers and perspective specific to questions SBE obtains from those seeking advice, while providing guidance and support to help navigate through the many stages of running a successful construction business.

Please contact Dimi Wingate at the Syracuse Builders Exchange. She can be reached at (315) 437-9936, or email Dwingate@syrabex.com with questions, or if you would like to be a mentor. Your questions will be forwarded to one of our Construction Industry Mentors who will contact those asking the questions.
