3:00 pm to 8:00 pm

The Syracuse Builders Exchange Annual Clambake is scheduled for Wednesday, September 15, 2010 from 3:00 pm to 8:00 pm at Hinerwadel's Grove, 5300 West Taft Road, North Syracuse.

The Syracuse Builders Exchange Clambake has historically provided an opportunity for SBE member firms to meet with their fellow business owners and suppliers and to invite their business guests including project owner representatives and design professionals together with staff personnel. Due to excess demand for tickets to this event, SBE member employers are requested to limit their purchase and distribution of tickets only to appropriate business-related guests.

Due to the very large attendance at this popular event, with self-serve draft beer, security requirements of our host mandate that **NO ONE UNDER 21 WILL BE ADMITTED** to this event, with photo I.D. required at the gates by security personnel.
