

SYRACUSE BUILDERS EXCHANGE PRESENTS

CABIN FEVER

PORTOFINO'S RESTAURANT- UTICA NY

Wednesday, April 16th 5-8 PM

For years, our new member employers in the Mohawk Valley region have enjoyed a very popular social and networking event they called "Cabin Fever". This annual event celebrated the end of winter, the beginning of the spring construction season and brought together the construction community.

The Syracuse Builders Exchange is pleased to continue hosting this traditional event for all members throughout the Builders Exchange's 18 county geography. This is a great way to meet many of our new members in the Mohawk Valley, or to reconnect with those existing relationships.

The event will be held Wednesday, April 16th from 5:00 – 8:00 PM at Portofino's Restaurant in Utica. There will be a buffet dinner and one complimentary drink, followed by a cash bar. Attendance will be limited to the first 100 people to register and pay. The price per person is \$75. This event is expected to quickly sell-out.

Please contact Dimi Wingate, dwingate@syrabex.com to register for the event.
